# #ECO Series

Eco-Friendly Quick Connect Filter Cartridge

## Caware CB & MAF Technology Inside

## Benefits

- High flow performance, low pressure drop, and long life span to simplify the filtration stages and installation space.
- Quick and easy installation for friendly replacement.
- Filter housing is reusable while the only part which needs to be discarded is filter element for lower replacement costs & minimal environmental impact.
- Multiple and customized media available upon request to challenge varieties contaminants in tap water.
- NSF 42 certified for material safety & NSF 53 for cyst reduction.

## Utility

## Specification

Type	Dimension (OD x L)	Applicable Claiming Index
14ECO	3.3" x 14" (85 x 347mm)	PP - Sediment PP block CB - Activated carbon block LBG - Lead reduction carbon block NBG - Chloramine reduction carbon block SBG - Antibacterial carbon block MF - Log 9 bacteria reduction hollow fiber MAF - 3-in-1 particle, chemicals, and log 9 bacteria reduction

- \* Product Data Sheets are available upon request
- \* Manifold stages are available upon request
- \* Caware labeling & private label are available

*Refreshingly Simple*
